International students must provide proof of health insurance which meets the above requirements to the Dean of Students Office each year by September 15th.

The following three health insurance options are acceptable:

1. Insurance coverage through a policy offered in the student’s home country.
2. International Student Insurance (ISI) group policy: Information on the plan can be found here. Please take the time to watch the “US Healthcare System Video” on the information page.

   Effective August 1, 2020, the monthly cost for insurance through ISI for 2020-2021 will be:

   - Student $85.97
   - Spouse $333.19
   - Each Dependent $74.80

   *All international students will be enrolled in this plan, with the insurance cost added to your Populi student account, unless proof of insurance that satisfies the minimum requirements is provided.

3. Insurance coverage that meets the requirements from another US company.

   *Please carefully consider coverage limitations if choosing this option.

Questions regarding health insurance should be directed to the Dean of Students Office.
